TOTAL **USD 11,338.70**

Delivery
4 to 6 weeks ARO

Conditions
1. Prices are valid for 30 days and apply to this proposal only.
2. Please send orders to orders@gentec-eo.com located at 445 St-Jean-Baptiste, Suite 160 Quebec City, QC, G2E 5N7, Canada
3. Gentec-EO reserves the right to accept or reject a PO.
4. Recommended calibration intervals are 18 months for a new unit and 12 months for a recalibrated unit. The calibration interval can be changed by the customer at their own discretion.
5. Gentec-EO is ISO/IEC 17025:2017 accredited. Any statement of compliance is made without taking measurement uncertainty into account and is based on the instrument's specifications.
6. For payment by credit card, a 3% fee is applied on amounts in excess of $6,000. Example: For a $10,000 order via credit card, an additional fee of $120 is applied.
7. The purchase of Germanium-based detectors requires the signature of an End-User Agreement to be provided after reception of the PO.
